Message from the Board Chair

It has been my pleasure and honor to lead the Board of Directors at Bellarmine Preparatory School over the past year. This distinguished group of leaders helped make tough decisions that led us through a difficult year of economic uncertainties—decreases in endowment revenues, lower than expected donations, and many sacrifices by staff and faculty. The good news is that we finished the year within our projected budget, although at a deficit, received a favorable audit for both Bellarmine Preparatory School as well as Bellarmine's Benefactor's Trust Endowment after extensive examination of our financial records. And, we couldn't have done this without the support of our entire community—staff, faculty, alumni, parents, and Bellarmine's close friends who provided the volunteer and financial support on which we depend.

Educating for Life is not just a slogan at Bellarman Prep. One Mom recently wrote "I continue to marvel at how the Bellarmine family and education impacted my daughter and continues to do so. Thank you so much." Our school is indeed an educational leader and through a solid, challenging, and supportive environment we live up to our mission of graduating students who are leaders in action and modeled on Christ, open to growth, intellectually competent, religious, loving, and committed to doing justice.

We remain committed to being the best possible Jesuit high school--being accessible, reaching out and creating friendships, excelling in academics, athletics, and other activities that allow students to develop their gifts and talents and apply their knowledge to real life situations.

Thank you all for a great year. In spite of the many challenges we faced God blessed us in many ways.

Yours truly,

Treava A. Burgess

Endowment Funds

The Bellarmine Benefactors' Trust was organized in 1969 for the purpose of establishing and managing endowment funds for the benefit of Bellarmine Preparatory School. These endowment funds are the accumulation of gifted funds set aside and invested to support the Bellarmine Preparatory School's mission in perpetuity. Over the past 39 years, hundreds of donors who have wanted to provide enduring support for Bellarmine have added their own gifts. Today the endowment is comprised of 168 individual principal funds.

Each year, the Bellarmine Benefactors' Trust Committee approves the distribution of earnings (investment income plus a portion of the appreciated value of the investments) from the endowment. These earnings, which flow to the operating budget, provide an essential source of income for Bellarmine.

In fiscal year 2008-09, during the economic downturn, our $13.3 million-plus endowment produced an income of $465,223 that covered a little over 3.4-percent of the school's total operating expenses. These critical funds are Bellarmine's most flexible source of income to meet current day-to-day expenses, as well as to fund future initiatives. Names listed in italics are those who made gifts to endowments during the 2008-09 fiscal year.

1928 SOCIETY

1928 Society

The 1928 Society recognizes benefactors who have made arrangements to support Bellarmine Preparatory School through bequests, charitable trusts, gifts of real estate, securities, insurance, or gifts that pay a lifetime income to the donor. Society members include alumni, parents, and friends who care about the future of Bellarmine and help secure it through these special gifts. Their kindness will be evident in the achievements of our students for many years to come. We are grateful for their thoughtful planning.

Bellarmine Annual Giving 2008-09

Annual giving helps bridge the gap between tuition and the actual cost to educate each student, supporting Bellarmine's rigorous academics, religious formation, athletics, and financial aid. Each year Aquinas, Bellarmine, and St. Leo's alumni, along with parents of current students and friends within the community help keep traditions alive while maintaining Bellarmine's excellence. On behalf of the entire Bellarmine community, thank you for your support.

Alumni Class Challenge 2008-09

Thousands of Aquinas, Bellarmine, and St. Leo's alumni keep Bellarmine in the forefront of their charitable giving. They continue to give back each year to Bellarmine – keeping their traditions alive while maintaining Bellarmine's tradition of excellence. Thirteen percent of all alumni gave to Bellarmine's Class Challenge (The Bellarmine Fund and Community Caring) during the 2008-09 fiscal year. With generosity from Aquinas, Bellarmine, and St. Leo's alumni, Bellarmine will continue living its mission well into the future.

PRIDE Auction 2009

*This years PRIDE auction, **"Buccaneer Bash"** was held on Saturday April 4, 2009, at the Greater Tacoma Convention and Trade Center. Once again, excitement filled the air as our guests bid on original and unique items. Everyone had a swashbuckling time, and were greeted by Bellarmine's very own "band of pirates."*

We are pleased to announce that the 2009 PRIDE event grossed more than $250,000 for scholarships, financial aid and other critical programs at Bellarmine. Over $51,000 was raised for this year's Fund-An-Item; a portable sound system and classroom multimedia projection units.

The 2009 chairs, Rick & Vicky Shanaman, along with the PRIDE Board and Steering Committee chairs, would like to thank the hundreds of volunteers, donors, bidders and sponsors who made this year's event successful.

A special thank you goes to Columbia Bank and Optic Fusion for their generous support as the 2009 PRIDE Auction Presenting Sponsors.

*Please join us and our chairs Donna Meyer & Maria Sessler B'84 next year on March 27, for our PRIDE auction 2010, **"Inspired by Tradition."***

Gyms Project Capital Campaign

We extend our deepest thanks to all of the Bellarmine volunteers and donors who have generously given their time, talent and treasure to the current *"It's Game Time"* capital campaign. This critical initiative is a project to rebuild the 50-year old Booster Gym and renovate parts of the 25-year old Names Gym. These critical improvements will allow Bellarmine to provide athletic and fitness facilities that are safe, seismically up to code, and will advance the overall health of our students and staff.

The goal of the fund raising effort is $8 million and at the time of this writing, more than $5 million has been raised to pay for the project – that is more than 60% of the objective. Campaign activities will continue through 2010 to realize the $8 million and fully fund the new facilities.

As a result of the positive campaign progress, The Board of Directors has voted unanimously to move forward with this project. The construction timeline calls for work to begin on the gyms in February of 2010 with the renovations to be complete the following November.

All of these milestones are taking place because of the ingenuity and foresight of our Bellarmine leadership who

IT'S GAME TIME

BUILDING A CENTER FOR BODY AND SOUL

have been given confidence to proceed by the generosity of our Bellarmine donors. Thank you.

The *"Its' Game Time"* donors listed here have given to the campaign through June 30, 2009, as it applies to this Annual Report.

Mission Statement

Bellarmine is a Catholic school in the Jesuit tradition. Its Mission is to teach students of all faiths as Jesus did, by proclaiming His message within a community with the purpose of translating those values into action.

To this end, Bellarmine provides rigorous programs of excellence that develop and harmonize the intellectual, the spiritual, the emotional and the physical. The ultimate aim is to produce graduates who will be leaders in action, modeled on Christ, fearless in pursuing a Christian transformation of our world.

By maintaining fiscal responsibility and by calling on the generosity of Bellarmine and the broader community, Bellarmine makes quality education available to all with preferential regard for the poor. Tuition, scholarships and salaries are responsive to the call of charity and justice.

In summary, Bellarmine believes that the future of humanity lies in the hands of those who are strong enough to provide coming generations with reasons, methods and resources for living and hoping.

2008-09 Volunteers of Note

Bellarmine's reputation for excellence extends to the work of its volunteers. We estimate that each year more than 32,000 volunteer hours are equivalent to nearly $200,000 in contributed service to the school. Parents, alumni and friends give their time and talent in the offices, on fund raisers, service projects, retreats and in support of athletic and social events. The service of volunteers is at the heart of Bellarmine and is essential in maintaining the school and bringing families together.
