- Foster the love and care for individuals
- Share the Gospel message and promote Christian values
- Build and strengthen the faith community
- Celebrate the life of the Holy Spirit

Retreat Overview

This retreat is exclusively for members of the senior class. For the juniors who are selected as crew members, it is an opportunity to work, clean, and pray on behalf of the seniors making the retreat, to try to put into practice the motto of our school, "Christus exinanivit semet ipsum," (Christ emptied himself).

The decision to apply to be a junior crew member is significant since the task is a challenging one. The juniors must be willing to do whatever it takes to serve their senior brothers and sisters as if they are serving Christ himself. The junior is called to serve when asked without complaint, to stay behind the scenes, to be a sign of God's love to those making the retreat. Prayer and quiet are the marks of the crew on the Magis Retreat as each serves in the joy of selfless giving.

On Saturday, March 16, 2019, 9 a.m.-noon, there is a Mandatory Crew Retreat at Bellarmine. Those selected for Crew **must** attend in order to be a Crew member on the Magis Retreat.

Expectations involve the availability to prepare for the retreat. These include after school meetings (2-3), departing immediately after school on April 12, and staying as late as necessary April 15 to put away supplies and inventory necessary materials.

Please Note: Applying for Crew does not guarantee the applicant a role of his/her choosing. The Directors, Ms. Martha Parent and Mr. Dan O'Connor, have the final responsibility to choose that the needs of the retreat are best served.

BELLARMINO PREPARATORY SCHOOL Student Code for Campus Ministry

Involvement in Campus Ministry is voluntary. This participation, however, requires a commitment on the part of the student to abide by the goals and philosophies of the school and Campus Ministry. Humility, integrity, and the imitation of Christ are cornerstones of such positions of Christian responsibility for ministry at Bellarmine. Therefore, the following code has been adopted for those students who are selected as student leaders and liturgical ministers for all Campus Ministry programs, retreats and activities.

Student Leaders

A student leader is a junior or senior who is accepted as a member of junior crew on all retreats, team/crew leaders on the Encounters, the Pilgrimage, and the Magis retreats. These positions are short term, and last approximately two months or less in service to the Bellarmine student body.

A student leader is in violation of the Campus Ministry Code when s/he uses or possesses tobacco products, alcohol, or controlled substances, or any substance purported to be such, except drugs prescribed by a physician or other person authorized to prescribe drugs for the personal use by the student.

A student leader is in violation of the code when s/he remains present where illegal drugs and/or alcohol are being used. Failure to leave any such function in a reasonable and prudent amount of time constitutes a violation of the code.

First Offense: The student leader forfeits his/her position in Campus Ministry and is referred to the Student Assistance Program.

Second Offense: The student will forfeit his/her participation as a leader in Campus Ministry, is referred to the Student Assistance Program, and is prohibited from all leadership and/or liturgical minister positions for nine school months from the date of the offense.

Third Offense: The student will be prohibited from service as a Campus Ministry leader or Liturgical Minister for the remainder of his/her years at Bellarmine.

Liturgical Ministers/Faith in Formation Team Leaders

A student Liturgical Minister serves as a Lector or Eucharistic Minister for the Bellarmine community for one school year.

A Faith in Formation (FiF) Team Leader serves the Faith in Formation program for the Bellarmine community for one school year.

Liturgical Ministers and FiF Team Leaders are in violation of the Campus Ministry Code when they use or possess tobacco products, alcohol, or controlled substances, or any substance purported to be such, except drugs prescribed by a physician or other persons authorized to prescribe drugs for the personal use by the student.

In addition, a student is in violation of the Campus Ministry Code when s/he remains present where illegal drugs and/or alcohol are being used. Failure to leave any such function in a reasonable and prudent amount of time constitutes a violation of the code.

First Offense: The student merits a suspension for eight weeks and is referred to Student Assistance.

Second Offense: The student merits removal from that ministry as well as other leadership positions in Campus Ministry (as explained above) for the period of nine school months from the date of the offense, and is referred to Student Assistance.

Third Offense: The student is prohibited from participation as a student leader/Liturgical Minister for the remainder of his/her years at Bellarmine.

Being selected as a student leader in Campus Ministry, whether short or long term, is one of servant leadership. Students serving in Campus Ministry roles commit themselves fully to obeying the school regulations as stated in the Bellarmine Handbook and in the Campus Ministry Code.

Students who are removed from leadership/ministry are eligible to reapply for positions in Campus Ministry the following school year. This applies to first and second offense students only.
