

Where potential becomes purpose

Annual Giving Donors **2012-2013 Fiscal Year**

Each year Aquinas, Bellarmine, and St. Leo's alumni, along with parents, friends, corporations and foundations demonstrate the power of community by investing in Bellarmine through annual giving. Annual giving helps bridge the gap between tuition and the actual cost to educate each student, supporting Bellarmine's rigorous academics, religious formation, athletics, and financial aid. We are grateful for these contributions and acknowledge those whose commitment and dedication help further our mission. Below we recognize donors who have contributed \$1-\$499 to Bellarmine during the 2012-2013 fiscal year. On behalf of the entire Bellarmine community, thank you for your support.
